TESTIMONIALS

“Choosing Leonard to do my pre-drywall inspection was one of the best decisions I’ve made to date. He was knowledgeable and so thorough. His knowledge and the way he pointed out everything to me, just put me at ease. You cannot go wrong choosing Leonard.”

“Leonard Barnhart did a great job and made the inspection so interesting to me. He showed me what he was looking for and explained why. He did an excellent and thorough job. He was so responsive to my questions and made me feel good about my home purchase.”

“I wanted to take a moment to express my deepest gratitude for the exceptional professionalism you displayed during the video photography and stills session for our Airbnb. Your expertise not only made our property look fantastic but also left us in awe of your skills.

Your personable approach, coupled with your extensive knowledge, truly set you apart. You transformed our space into something extraordinary, capturing its essence beautifully.”

A MESSAGE FROM THE OWNER

"I think it's important to hire an inspector who has worn a toolbelt."
